

MAKING MEMORIES FROM YOUR PHOTOS

Photography is all about light. This class will give you confidence on using your camera settings to get the best results.

The BASIC DIGITAL PHOTOGRAPHY class will cover the following:

1. Photographer's Gear
2. Exposure
3. Camera settings
4. Practice test shots

We'll look at manual vs. automatic and aperture vs. shutter speed. When we're done, it will all make sense.

Saturday
October 8 • 1 to 4 p.m. • SNCA Art Studio

The Class Fee is \$35 and includes a 15 page manual

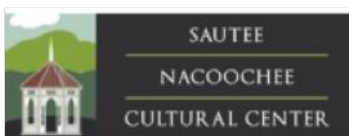

Minimum number of students 4

Registration deadline: Wednesday, October at 5 p.m.

After retiring from management in 2013, Bob decided to take his passion public. And as an award winning photographer from NE Georgia, he shares his perspective of nature, pets and sports. You can see a collection of Bob's work at the Sautee Nacoochee Center Art Galleries.
