

Leather Art Class with Tom Slavicek, Black Eagle Leather Studio

You will have time to create a leather shoulder bag of your choice, or choose from any of the following projects: Leather belt, wallet, passport wallet, journal, phone belt pouch, drawstring pouch, lady's wallet, clutch purse and more. Depending on the project you will be able to learn techniques of cutting leather and stitching styles. If desired, you can learn how to use a wood burning tool to inscribe a design directly on to the leather and then colorize it. All leathers, materials, tools and instructions are provided, along with templates for a \$15 supplies fee. No artistic ability is necessary, nor is any previous leather working experience. You do not need to bring anything except lunch, enthusiasm, and your desire to make something beautiful!
