

Oil Painting Workshop: Color Harmony

Instructor: Nancy Ackerman

Students should bring a lunch or snack for a 30-minute lunch break.

Color is important in a painting and used incorrectly can have a negative impact in the way it's perceived. Students will explore color harmony with hands-on development of warm and cool paint palettes; reviewing complementary colors; underpaintings vs. backgrounds; glazing effects, as well as how medium interacts with paint.

Students will have sufficient time to become more familiar with color harmony through practice and can complete up to four paintings during the given class time.

The supply fee includes all artist level materials; oil paints, medium, brushes, DaVinci Pro-Panels, contemporary gallery wrapped canvases and other essential oil painting supplies.
