Happy New Year!

BY: JESSI REED, YOUTH EDUCATION DIRECTOR

It's a new year here at the Sautee Nacoochee Cultural Center, & we are excited about new opportunities that we can offer your children & families this year!

As a community center, our first priority is the safety of students, families, & visitors. We are continuing to follow CDC and OSHA Guidelines defined by the State of Georgia in all of our programs offered by the Sautee Nacoochee Cultural Center.

Some of the precautions we are taking are small class sizes, temperature checks for students & teachers, social distancing & face coverings encouraged, & frequent hand washing & hand sanitizing. Our complete list of guidelines & recommendations for Youth Programs can be found on our website at snca.org.

We hope to continue to create a welcoming, safe, creative, & expressive environment for the youth & families in our community! We hope to see you soon on campus!
